UCLA Health System Outreach Services: (310) 794-8683, fax (310) 301-5391
UCLA Health System Outreach Services is your personal connection to accessing services within UCLA Health System. The Outreach Liaisons are assigned by geographical area to help maintain a relationship with the professionals in the referring community. Your liaison is available to meet with you and assist with obtaining information about UCLA programs and services, handling any concerns you may have with past, current or future patient services, and facilitating two-way communication with UCLA healthcare professionals.
If you are a physician or healthcare professional, you may contact UCLA Health System Outreach Services at (310) 794-8683. Our office hours are Monday through Friday, 8 a.m.-5 p.m. Providers may also fax patient information and insurance authorizations to (310) 301-5391.

**Physician Referral Service: 1-800-UCLA-MD1 (825-2631)**
Registered nurses and referral coordinators are available by phone to assist referring physicians and case managers access services at UCLA Health System. Our services include:

*Speak with a registered nurse*
Doctors and nurses can speak directly with our physician-referral nurses for medical-related questions. Or, send an email to access@mednet.ucla.edu and our referral nurses will respond.

*Quick turnaround time*
When doctors fax a patient referral to (310) 301-5391, the referral coordinators will call your patient the same day or by the following morning to coordinate a referral.

*We help your patients get started*
Referral coordinators assist your patients in obtaining a UCLA identification number – the crucial first step in accessing care.

*We keep our referring physicians informed*
We send referring physicians a follow-up letter to let them know we successfully contacted their patient.

*And, we send a follow-up letter to patients*
After speaking to your patient, we send him or her helpful instructions.

If you are a referring physician and would like to add or update your information in our database, please contact Referring Physician Database Support by email at RPDS@mednet.ucla.edu.

For UCLA Neuropsychiatric and Behavioral Services, contact the ACCESS Center at (800) 825-9989.

**International Patients**
(310) 794-8759, fax (310) 794-8696
email: international@mednet.ucla.edu
www.uclahealth.org/international-relations/

International patients (those who reside outside the U.S.) should be referred to International Relations for facilitation of medical services within UCLA Health System. Services provided include obtaining medical-record reviews, obtaining physician referrals, preparing fee quotations, scheduling appointments, arranging interpreter services and facilitating other requests to promote a high-level of service and an excellent care experience at UCLA.

To initiate a referral, call International Relations and inform the staff of the patient’s country of origin. An International Patient Coordinator representing that country will assist you.

**Transfer Center**
(310) 825-0909, fax (310) 825-3700

The Transfer Center is available 24 hours a day to facilitate inpatient transfers from another healthcare facility to UCLA Health System. The referring facility or physician should contact the UCLA Transfer Center as soon as it becomes evident that the patient might require transfer. To facilitate the referral process, we request that you have the patient’s medical, demographic and insurance information readily available.
Managed Care Contracting
(310) 794-0625

UCLA Health System contracts on behalf of UCLA Medical Group, Ronald Reagan UCLA Medical Center, Stewart and Lynda Resnick Neuropsychiatric Hospital at UCLA and Santa Monica-UCLA Medical Center and Orthopaedic Hospital with most preferred-provider organizations and health-maintenance organizations, as well as many referring medical groups. To arrange a one-time payment agreement for a patient being referred from a non-contracted health plan or referring medical group, please contact Managed Care Contracting at (310) 794-0625.

Reimbursement arrangements for services that are provided by a UCLA physician who does not participate in UCLA Medical Group must be negotiated directly with that physician’s office.
